Works are expected to take between 2 – 3 weeks to complete (depending on weather conditions).

We do not expect to have to close Bendethera Fire Trail at this point in time. However, we do ask drivers to use extreme caution when driving on this trail, be aware of heavy machinery operating in the area and drive to the conditions.

Dampier Mountain Fire Trail will be **CLOSED** until works have been completed on this trail. Access to and from Bendethera Camping Area will be available from the east only (via Little Sugarloaf Road and Bendethera Fire Trail).
